we find our way home to our true self and to God. [and Intimacy](#) Jun 09 2021 There are lots of books out there written about love; some great ones discuss the importance of early secure attachment, and plenty too have been written about relationships and how to make them better. This book is a bit different. Dr. David Daniels, Professor Emeritus Stanford Medical School, brings his personal passion for human development to over 40 years of study as a private-practice psychiatrist (working primarily with couples), a 61-year marriage, and a deep and comprehensive understanding of human temperament and personality proclivities, to the table. Thanks to having studied

something called, "the Enneagram," David says, "Of all of the treatment modalities I worked with and tried out across my therapeutic career, nothing came close to helping couples heal their hearts and relax their defenses as much as I witnessed happening when using a comprehensive application of the Enneagram system." Understanding ourselves as well as others -- with acceptance, discernment, curiosity, and wonderment -- in the way the Enneagram precipitates, provides the greatest foundation from which to build healthier, more receptive and more fulfilling relationships. It is our fundamental relationships that

sustain our lives, fuel our happiness, and support our greater development and potential. Bringing this book to fruition was the passionate focus of much of David's time, exploration, and thought the last many years of his life. Within it holds David's endearing understanding of human relationships and his devotion to contributing to a more loving world.

Enneagram and the Way of

Jesus Jun 21 2022 The aim of "Enneagram and the Way of Jesus" is to lead the reader into ongoing transformation into Christ-likeness based on the uniqueness of individual personality. Exploring the intersection of personality and spiritual practice, this book aims to consider how human uniqueness should pair with specific practices, biblical narratives and seasons in the Church calendar. Far too often

spiritual formation in the Christian faith is oversimplified or omitted altogether. The Enneagram reveals an individual's areas of great strength and also humbling weakness. This book is one of the few resources on personality theory that asks the question: NOW WHAT? The first half of "Enneagram and the Way of Jesus" provides a brief analysis about the present crisis of discipleship, the origins of the Enneagram, and concise descriptions of each of the nine types for the purpose of assessment. The second half leads the reader to consider several spiritual practices based on personality--practices that both pair well and also

practices that challenge the individual toward transformation. The reader will then discover biblical narratives and seasons the Church calendar where s/he should pay most attention based on type.

[The Enneagram for Black Liberation](#) Feb 17 2022 Am I worthy of belonging? Am I loved just as I am? Am I safe to exist without worry? How do

Black women return to our truest selves in systems that answer "no" to these three questions? The Enneagram is an ancient system of human development that shows us the limiting stories that keep us stuck in unhelpful patterns, and invites us into more expansive stories. For too long, conversations about the Enneagram and its personality types have been centered on and by whiteness. In *The Enneagram for Black Liberation*, certified Enneagram teacher and trained psychotherapist Chichi Agorom reclaims the Enneagram as a powerful tool for Black women to rediscover our wholeness and worth that

existed long before systems of supremacy told us we weren't enough. For Black women in particular, our Enneagram personality types reflect more than just our way of being in the world; they are shaped by armor that we use to protect ourselves from pain, suffering, and shame. Breaking down each Enneagram type as a form of armor, this book offers practices to help Black women, and all who live on the margins, begin to build a sense of self separate from our mechanisms of self-protection, while working to dismantle the systems that require us to stay constantly armored up. Chichi Agorom takes readers through each of the nine Enneagram

types, along with stories of Black women who identify with them, to illustrate the stories people must tell themselves in order to feel safe. In the process, Agorom seeks to inspire us to expand beyond our type patterns. Wholeness work is justice work. Centering freedom, ease, and rest for Black women, Agorom invites each of us to claim the Enneagram as our tool for resilience-building in the continued fight for liberation. **The Everything Enneagram Book** Dec 15 2021 A Simon & Schuster eBook. Motions of the Soul Oct 25 2022 The Enneagram meets Ignatius (c)The iEnneagram (FULL COLOR)From the Intro: " Get ready for a transformation! The Enneagram is a psycho/spiritual mapping of nine personality styles. The Motions of the Soul; The(c)iEnneagram is about developing awareness of the motions of your soul. Staying aware of your awareness and bringing an intentional response to that attention for your own sake and the good of others. When awareness becomes intentional, we let go of anxiety, fear, and shame and virtue flow through us. This

tool releases old patterns of reaction and decision-making. One can discover movement rather than stuckness. The (c)iEnneagram model comes from the influence of two faithful Christ following; Spirit filled guides. These guides are Franciscan Monk turned Evangelist and Ramon Llull and Ignatius Loyola's Founder of the Society of Jesus. Ignatius discovered "motions of the soul" or "discernment of spirits" to be crucial in living a Spirit-filled life. These motions are the inner experiences of emotion, intellect, and gut reactions, both attraction, and repulsion. Ignatius categorized these as "consolations and desolations." We will explore

these words and their meanings in the practice section of this guide. Inspired by Raymon Lull's diagram, this model recognizes three equally important Centers of Intelligence also called The Triads. The HEART-EQ or emotional intelligence (types 2, 3, 4), of the HEAD-IQ or thinking (types 5, 6, 7), and of the instinct, GUT-GQ (types 8, 9, 1.) While all types have access to all three centers, we have a preferred style. When we can access our IQ, EQ and GQ intelligence we will make decisions in ways that bring our very best life to others! The practice of finding what God is doing in us moment by moment results in Divine alignment.

Dec 27 2022 An updated and expanded examination into the groundbreaking exploration and connection of two of the

most powerful mystical traditions. Patterns in our lives may escape us; reasons for our behavior often confuse us. To help us better understand the interplay of these dynamics, Rabbi Howard A. Addison combines two of the most powerful maps of consciousness known to humanity: the Tree of Life (the sefirot) from the Jewish mystical tradition of Kabbalah, and the nine-pointed Enneagram that was developed over several generations by mystics of several spiritual traditions. Individually, each offers guidance and wisdom; together, they show the forces that propel us and shape our personalities and behavior.

Most important, the two suggest how we can live more harmoniously with ourselves and with others, minimize friction and tension and discover our own spiritual gateway to God. In this updated and expanded edition of his pioneering book, Rabbi Addison explores new understandings of the stages and pitfalls we experience along life's journey and the ways we can transcend the limits of our personalities in search of greater wholeness. He shows that, when brought together, the Enneagram and Kabbalah may enhance understanding of humanity's deepest motivations both individually and collectively

thus opening wider the gate to personal growth.

Author A. J. Sherrill still remembers the moment when his life was forever changed by a word he didn't even understand at the time: Enneagram. A personality theory that includes nine different "types," the Enneagram has become a popular tool for self-awareness and improvement. But in this book, Sherrill goes deeper, exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation. Sherrill reveals the Enneagram as a tool to unlock new ways of viewing

identity, personality, discipleship, spiritual practices, evangelism, and the Bible.

Using this fresh approach, Sherrill shows how our true identity is that of a beloved child of God. Recognizing that, we can move confidently into the world expressing this identity through our unique personality. Through Sherrill's detailed spiritual exploration of each type, readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely. Foreword by Chuck DeGroat.
