**Losing Vietnam** Nov 21 2019 In the early 1970s, as U.S. combat forces began to withdraw from Southeast Asia, South Vietnamese and Cambodian forces continued the fight against the People's Army of Vietnam (PAVN) and the National Front for the Liberation of South Vietnam (NLF), more commonly known as the Viet Cong. Despite the evacuation of its ground troops, the United States promised to materially support its allies' struggle against communist aggression. Over time, however, the American government drastically reduced its funding of the conflict, placing immense strain on the Cambodian and South Vietnamese armed forces, which were fighting well-supplied enemies. In *Losing Vietnam*, Major General Ira A. Hunt Jr. chronicles the efforts of U.S. military and State Department officials who argued that severe congressional budget reductions ultimately would lead to the defeat of both Cambodia and South Vietnam. Hunt details the catastrophic effects of reduced funding and of conducting "wars by budget." As deputy commander of the United States Support Activities Group Headquarters (USAAG) in Nakhon Phanom, Thailand, Hunt received all Southeast Asia operational reports, reconnaissance information, and electronic intercepts, placing him at the forefront of military intelligence and analysis in the area. He also met frequently with senior military leaders of Cambodia and South Vietnam, contacts who shared their insights and gave him personal accounts of the ground wars raging in the region. This detailed and fascinating work highlights how analytical studies provided to commanders and staff agencies improved decision making in military operations. By assessing allied capabilities and the strength of enemy operations, Hunt effectively demonstrates that America's lack of financial support and resolve doomed Cambodia and South Vietnam to defeat.

*Germany Must Perish!* Jul 30 2020 This March 1941 book-written by a New Jersey Jewish-German émigré-caused a storm in Germany and America with its open advocacy of the physical extermination of all Germans and Germany itself. This was to be achieved through a process of mass sterilization, and the physical dismemberment of that country. Arguing that Nazism was in fact just another expression of militant Germanism, the author said that the Germans would never change and the only way to end the ongoing struggle was to end Germany and the German people. Because of Kaufman's claimed links to the policy advisors of the American president, Nazi Propaganda Minister Joseph Goebbels used the book to help encourage Germans to fight to the last. Ironically, significant sections of Kaufman's book, despite being dismissed as the work of a loner, came true. At least 12 million Germans were expelled from their land following the

end of the war, and their deportation became the single largest transfer of any population in modern European history, and one-third of German territory was ethnically cleansed of Germans and permanently seized. Although the sterilization plan was never implemented, the collapse in the German birth rate, predicted by the author, has occurred, and even this part of the plan seems set to become reality. As the author wrote: "Of course, after complete sterilization, there will cease to be a birth rate in Germany. At the normal death rate of 2 per cent per annum, German life will diminish at the rate of 1,500,000 yearly. Accordingly in the span of two generations that which cost millions of lives and centuries of useless effort, namely, the elimination of Germanism and its carriers, will have been an accomplished fact." **Vietnam Firebases 1965-73** Feb 05 2021 Artillery fire support bases of the Freeworld forces played a critical role in the conduct of operations during the Vietnam War. They served to lay down high-volume fire on enemy firing sites, supported friendly infantry operations, and executed harassing fire missions where exact targets were not known. But the firebases themselves which housed a range of other facilities such as troop shelters, surveillance radars and command centers had to be defended against ground attack, and as a result became significant fortifications in their own right. This book describes the design, development and operational history of the fire support bases throughout the conflict.

**The Soul of Poetry Inside Kim-Van-Kieu** Sep 19 2019 Kim-Van-Kieu, for centuries, has been regarded by the Vietnamese as the most beautiful jewel in painting the sentimental tenderness of the human soul. Edited in the early 1813's, this masterpiece of 3250 verses was structured in a particular form of prosody that has become since then a cherished anthem of Vietnamese poetry. The story concerns a maiden endowed with mental and bodily graces; an elite who, placed between love and filial devotion, deliberately chose the harder way: she sold herself to save her father, a victim of an unjust calamity. And from that day on, she passed from one misfortune to another until she sank into the most abject depravity. But, like the lotus, after a long chain of stormy winds, she succeeded in elevating herself and preserving the pure perfume of her original soul. Homesickness seemed to carry away Her soul toward the forlorn clouds of Tsin. "My poor old parents! Both now must be quite old! "Since my departure, has their grievance "Subsided any as time went by? "So fast, more than ten years out of sight! "If they still live, maybe their skin "Has been wrinkled, and their hair has turned gray "Like frost-covered as it had never been!

"And the old love! Regretful, I may say!" Like the lotus torn off from its stem, Though their former binding had been broken, The feelings Kieu had conceived for Kim Seemed to still have a slight venation. Kim-Van-Kieu 1963 Edition, English translation by Professor Le-Xuan-Thuy, had given the Western readers a chance to taste the delights of a new style of poem-in-prose version of Vietnamese poetry into English. Forty six years later came into light a fresher gem with a more inspired form, "The Soul of Poetry inside Kim-Van-Kieu", a vibrant versification of Kim-Van-Kieu by Professor Le Xuan Thuy himself, well known online as international poet Hall-of-Fame Thuy Lexuan, ASO.
